Ciao Fine Dining Friends,

My steaming hot Angel Hair Florentine, with sauteed Italian sausage, baby spinach, mushrooms in a garlic and white wine sauce is set before me...I could devour it but I'll try to mind my manners.

If you're seeking a fine dining experience and not just a place to eat, then Portobello's family owned restaurant welcomes you, Italian style -- and you will want to return again, again and again.

Entering Portobello's Ristorante

The lighting casts a glow on the wooden door-way arches, the music is soft and timeless, the fragrance is rich & warm. The faces that greet you are subtle and sweet--innocent Romantics. Let Portobello's be the place you visit for your nights to escape, relax and nourish on sumptuous meals.

The High Quality of Food

As extensive as the menu is...everything from the Caesar salad, the Shrimp Scampi, the Genovese Pizza with pesto, mozzarella ricotta, tomatoes, basil and big chunks of garlic to the Chicken Marsala, Baked Salmon and Lobster Ravioli ---each and every ingredient is *fresh*. The rolls are always served warm, (not cold or burnt) in a basket with a white, cotton cover and plenty of butter.

Even the side salads taste straight from the garden (in *all* of our four seasons) with crispy peppers, tomatoes, cucumbers, sweet onions and easy to eat shredded carrots. And the savory soups take you to...

Other American Options

Now, if you're like me and *Love* Italian food you will be 100% satisfied...but if you're like many others--- don't worry --- you can find your favorite 14 oz. New York Steak or juicy cheese burger with big, tender french fries perfectly seasoned.

The Exceptional Service

Your server is dignified, calm and welcoming. "Your wish is their command" and they're happy to see you. You won't need to wait to put your order in and your server will return effortlessly with exactly what you ordered...even if you personalize your Chardonnay or Tanqueray and tonic with a side glass of ice -- or add/subtract calamata olives from your Penne Ariabiata.

I'm so eager to share our fine dining with you that I'm offering a FREE appetizer on your first visit...simply tell your server, "It's our first time here." They will ask, "Which appetizer can I bring you on the house?"

We'll even comp your meal "on the house" if you're not 100% satisfied with your meal AND service. That is my Guarantee.

"The food and service is exquisite! I feel like I'm on vacation...not just out to dinner."
